

# *Tarot + Dreamweaving with a Conscious Universe*

To honor the wild wisdom within us all, we are crafting a way to dream with the winter energies of the future that is rushing to meet us. "We" are Ayn Cates Sullivan + H  l  ne V Ramos.

[Ayn](#) is a prolific writer, creator, and wisdom holder in the Celtic tradition. At the workshop she will share stories and debut her latest Tarot deck, the Celtic Elemental Tarot.

[Helene](#) is a mystical thinker, healer and teacher who weaves together the timeless teachings of core wisdom traditions. She will be guiding us on journey to dream with a conscious universe and bring that intelligence into embodied experience.

We will enter the deep and timeless flow of cosmic feminine energy together in order to experience, embody and create the future we most desire.
